Preparation

Print form below. Contact the groom and ask him to provide short answers to the questions on the form below. Write these down and use this as your answer key.

Instructions

Hand out copies of the blank paper and pens/pencils. Inform your guest that you have contacted the groom to find out the ways in which he loves the bride-to-be.

Read each question aloud and ask the guests to write down the answer. Remind your guests to put themselves in the groom's shoes as they ponder these questions.

When you have finished reading all the questions

Notes

Consider having clipboards, heavy magazines, or small phone books for the guests to use as a lap desk

If you need a tiebreaker, have your guests write their name on their paper, fold the papers in half and in half again, place in a large bowl or shopping bag, and draw a winner.

It might be fun to invite the bride to participate in this game.

Add or remove any questions from the suggested list as appropriate.

You can also offer three possible answers (one correct, two incorrect) to the question and ask the guests to choose an answer.
